Hybrid Plan

**Phased Opening:** Health & safety balanced with academic experience

**Phase 1**
Students are split into two groups with the groups alternating periods of live instruction and virtual instruction. Students will attend school on a shortened schedule.

Hybrid Model

**Phase 2**
All students will report to school on a shortened schedule

**Phase 3**
All students will report to school for a full day schedule

**Phase 4**
After-school indoor activities would resume
Instruction

➢ Start of the Year
  ○ Social Emotional Learning
  ○ Diagnostic Testing

➢ Consistent with the Use of Technology

➢ Staff Professional Development

➢ Parent Training
Wellness

➢ Students-Staff-Parents Activities and Resources
   ○ https://www.teacherfit.com
   ○ www.peaceathomeparenting.com
   ○ Social-Emotional-Learning Committee

➢ Focus on Re-Socializing Students
➢ Develop Student Mentoring Programs

➢ Communicate Frequently and Effectively
➢ Provide Parent Training
Health and Safety

➢ Develop cohorts
➢ Eliminate large congregations of students
  ○ No lunch/recess during Phase 1 and Phase 2
  ○ Separate entrances/exits for grade levels
  ○ Staggered dismissals
➢ Students and staff will be subject to a health screening, including a temperature check, prior to entering school buildings
➢ Students and staff must use hand sanitizer when entering or leaving classrooms or buildings
➢ Students and staff will be required to wear masks unless individual health conditions dictate otherwise
➢ Windows and classroom doors will remain open, weather permitting
➢ Cleaning and sanitizing schedules will be created and strictly followed
➢ Visitors will be strictly limited to those with appointments
➢ Visitors will be subject to a health screening
Quarantine

➢ Quarantine areas will be established in each building for students exhibiting Covid-19 symptoms

➢ The district will follow New Jersey’s updated guidelines for quarantining students and staff upon their return from areas identified by the state as having a high incidence of COVID-19

➢ Bloomfield Board of Health will conduct contact tracing
Facility

- Hand sanitizers dispensers in classrooms, throughout the buildings, and the exterior of the building
- Detailed cleaning/sanitizing schedule
- Custodial staff - adjusting shifts
- Plexiglass in office areas
- Signage - social distancing and protocol reminders
- **Electrostatic Disinfection:** Electrostatic spray surface cleaning is the process of spraying an electrostatically charged mist onto surfaces and objects. Electrostatic spray uses a specialized solution that is combined with air and atomized by an electrode inside the sprayer. Subsequently, the spray contains positively charged particles that are able to aggressively adhere to surfaces and objects.
Special Education

➢ Scheduling New Referrals and IEP Re-evals
➢ Ensuring Related Services are Delivers
➢ Training our paraprofessionals
➢ Providing Resources and Training Parents
Co-Curricular Activities and Childcare

- NJSIAA requirements: Fall season pushed back a month
- Evaluating co-curricular clubs to determine which can operate on a shorten day or during virtual instruction

- Developing health and safety procedures for district childcare
- Only students attending live instruction that day can receive before and/or after care
- Investigating alternative child care options
Constant Change

➢ CDC
  ○ Student Screening - July 23
  ○ Quarantine and Isolation - July 17

➢ NJDoE
  ○ Virtual Only Option - July 24
  ○ Checklist - ???
If the district reopens in September in a hybrid model (shorten day and a portion of the student body) and follows the required safety protocols, how would you request an exemption from reporting to work?

195 responses

- Highly Likely: 41%
- Somewhat Likely: 21%
- Unsure: 21.5%
- Somewhat Unlikely: 9.7%
- Highly Unlikely: 9.7%
