

Glen Ridge High School

Chromebook User Agreement

RULES OF APPROPRIATE USAGE

Glen Ridge High School is implementing a 1:1 Chromebook initiative. Chromebooks and the network, like any other school property, must be used for the educational purposes for which they are intended. The Chromebooks issued to students are the property of the Glen Ridge Board of Education. The distribution of a Chromebook to each student is a privilege, not a right, and may be revoked at any time for inappropriate conduct. Before a Chromebook is issued for use at home, parents and/or guardians will sign this Chromebook User Agreement and submit a payment of \$30 for annual insurance fees per student. Students are expected to abide by the following rules in addition to the existing Glen Ridge Board of [Education Acceptable Use Policy \(R2361\) both at home and within the school](#) (www.glenridge.org/domain/43):

USE OF EQUIPMENT (hardware and software)

- The school Chromebook is to be used for educational purposes only.
- All Chromebooks will be labeled with a school asset tag and a GRHS Chromebook sticker.
 - Asset tags and stickers may not be modified or tampered with in any way.
- Students may not destroy, deface, or alter any Chromebook equipment.
- All Chromebooks are to be returned at the time of graduation or when leaving the district.

MANAGEMENT

- GRHS manages all Chromebooks and reserves the right to search district accounts accessed with school equipment without permission if it is felt that illegal or otherwise inappropriate use of technology is occurring.
- Improper use of GRHS technology devices will result in loss of network/Internet privileges and other consequences as per the Parent/Student Handbook.

RESPONSIBILITIES

- Chromebook should be charged each night to ensure they are fully charged for classes the next day.
- If any damage to the Chromebook is intentional, willful or purposeful, the parents or guardians will pay the full replacement cost of the Chromebook and/or AC power adaptor. Replacement cost for a Chromebook for the 2020 2021 school year is approximately \$250.00, and the power adapter is \$50.00.
- If the Chromebook is lost or stolen when outside of school grounds, it should be reported to the technology office immediately.

SECURITY

- The school utilizes an Internet content filter that is in compliance with the federally mandated Children's Internet Protection Act (CIPA). All Chromebooks will have all Internet activity protected and monitored by the District. If an educationally valuable site is blocked, students should contact their teachers to request the site be unblocked.
- While the District provides Internet content filtering both on and off campus, parents/guardians are responsible for monitoring student internet use when off campus and at home.

PRIVACY

- As per the AntiBig Brother Act (N.J.S.A. 18A:3639 (P.L. 2013, c. 44)), schoolissued electronic devices have the ability to record or collect information on user's activity, both online and offline. The Glen Ridge Board of Education will not use any of these capabilities in a manner that would violate the privacy rights of a student or individual residing with the student.
- All files stored on the Glen Ridge Board of Education GAFE accounts or network are the property of the district and are subject to regular review and monitoring for responsible use. Internet history and email checks may occur at the discretion of the District Administration. Students have no expectation of confidentiality or privacy with respect to the usage or content of a district issued Chromebook, regardless of whether that use is for district related or personal purposes, other than as specifically provided by law.
