GLEN RIDGE PUBLIC SCHOOLS

PRE-KINDERGARTEN AND KINDERGARTEN

REGISTRATION FOR 2020-2021 SCHOOL YEAR

Week of January 6, 2020
8:30 AM – 3:30 PM

Registration Locations:

FOREST AVENUE SCHOOL
excluding lunch hour 12:30 pm-1:30 pm

LINDEN AVENUE SCHOOL
excluding lunch hour 11:30 am -12:30 pm

ALSO

Evening Registration: Wednesday, January 8, 2020 - 7:00-8:00 pm

Evening Locations: Forest Avenue & Linden Avenue Schools

To enter Pre-K, children must be 4 years old by October 1, 2020
To enter Kindergarten, children must be 5 years old by October 1, 2020

2020-2021 School Information:
Kindergarten at Forest Avenue, Linden Avenue, and Central Schools
Full-Day Program 8:30 am – 3:00 pm
(Students registered for Kindergarten will be informed of school placement at a later date)

Pre-Kindergarten at Central School
Full Day Program 8:20 am - 2:30 pm

Required at registration: 1) original birth certificate; 2) student health records;
3) two proofs of residency*

*Supporting documentation of proof of residency includes: property tax bill, deed, settlement statement or lease. Plus one of the following: current utility bill, credit card receipt, bank statement, or voter registration card and court orders or agreements with state agencies.

Registration documentation can be downloaded on the Glen Ridge Public Schools website at www.glenridge.org, or picked up at Forest Avenue and Linden Avenue schools on January 2, 2020.

Students currently in Pre-K need not re-register for Kindergarten

List any food allergies: ____________________________________________________
List Other Health Conditions/Concerns: _______________________________________

The following original documents must be inspected and photocopied by school staff in order to enroll:

1. Original Birth Certificate

2. Student Health Records
   - Most recent completed physical examination form is required for new students. The examining physician is responsible for informing the school of any health problems which may hinder this child from full participation in the school health education program. An updated physical form will be required upon completion of the child’s 2020 physical examination.
   - Current record of immunizations is required for new students. No child may start school without certified proof of required immunizations.

3. Current Transcript

4. Support Documentation for Proof of Residency:
   - One of the following:
     - Property Tax Bill or
     - Deed or
     - Settlement Statement or
     - Lease
   - Voter Registration (if one is available)
   - Evidence of Expenditures for Necessities: credit card receipt, itemized bills, pharmaceuticals, bank statements, utility bills, etc. (Originals)
   - Court Orders, Permits or Agreements with State Agencies (Originals)
   - Employment documents

No registration is complete until all information is verified.

All of the information above is accurate and complete. The student being registered is a resident of Glen Ridge. I understand that falsifying information concerning residency will result in expulsion and tuition charges.

TUITION:  • Yes  • No

Rec’d/Reviewed by

School
Dear Parents and/or Guardians:

The New Jersey Department of Education recommends periodic physical examinations for all students. The Glen Ridge School District, in complying with this recommendation, requires a physical examination for all students when entering the school district as well as in the 3rd and 7th grades.

According to NJAC 6A:16-2.2(h), student medical examinations must be conducted at the medical home of the student and a full report must be sent to the school. A medical home is defined as meaning a health care provider and a provider’s practice site chosen by the student’s parents or guardian for the provision of health care. If a student does not have a medical home or should you have any questions, kindly contact the school nurse.

This examination must be a current physical examination. If your child is not scheduled for a physical examination until after September 2020, (perhaps due to insurance regulations), please submit the most recent physical examination prior to September 2, 2020. This form must be received in order for your child to attend the first day of school.

An updated form signed by your physician must then be submitted when the 2020 physical examination is completed. A copy from the patient portal is not acceptable. The physician must indicate if your child has any known allergies or if there are any restrictions regarding participation in physical education.

Please return it to the “School Nurse” at:

Forest Avenue School or Linden Avenue School or Central School
287 Forest Avenue 205 Linden Avenue 180 Hillside Avenue
Glen Ridge, New Jersey 07028 Glen Ridge, New Jersey 07028 Glen Ridge, New Jersey 07028

**Health Care Provider Stamp:**
Instructions for Completing the Universal Child Health Record (CH-14)

Section 1 - Parent

Please have the parent/guardian complete the top section and sign the consent for the child care provider/school nurse to discuss any information on this form with the health care provider.

The WIC box needs to be checked only if this form is being sent to the WIC office. WIC is a supplemental nutrition program for Women, Infants and Children that provides nutritious foods, nutrition counseling, health care referrals and breastfeeding support to income eligible families. For more information about WIC in your area call 1-800-328-3838.

Section 2 - Health Care Provider

1. Please enter the date of the physical exam that is being used to complete the form. Note significant abnormalities especially if the child needs treatment for that abnormality (e.g. creams for eczema, asthma medications for wheezing etc.)
   a. Weight - Please note pounds vs. kilograms. If the form is being used for WIC, the weight must have been taken within the last 30 days.
   b. Height - Please note inches vs. centimeters. If the form is being used for WIC, the height must have been taken within the last 30 days.
   c. Head Circumference - Only enter if the child is less than 2 years.
   d. Blood Pressure - Only enter if the child is 3 years or older.

2. Immunization - A copy of an immunization record may be copied and attached. If you need a blank form on which to enter the immunization dates, you can request a supply of Personal Immunization Record (IMM-9) cards from the New Jersey Department of Health, Vaccine Preventable Diseases Program at 609-826-4660. The Immunization record must be attached for the form to be valid.
   a. "Date next immunization is due" is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. Medical Conditions - Please list any ongoing medical conditions that might impact the child’s health and well being in the child care or school setting.
   a. Note any significant medical conditions or major surgical history. If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issues blocks that follow. A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-6966.
   b. Medications - List any ongoing medications. Include any medications given at home if they might impact the child’s health while in child care (nasal spray, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term medications such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.
   c. PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.

4. Limitations to physical activity - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. Special considerations such as back-only sleeping for infants should be noted.

5. Special Equipment - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

6. Allergies/Sensitivities - Children with life-threatening allergies should have a special care plan. Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from the Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 800-687-0340.

7. Special Diets - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

8. Behavioral/Mental Health issues - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

9. Emergency Plans - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

10. Screening - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children’s health. Please enter the date that the test was performed. Note if the test was abnormal or place an “N” if it was normal.
    a. For lead screening state if the blood sample was capillary or venous and the value of the test performed.
    b. For PPD enter millimeters of induration, and the date listed should be the date read. If a chest x-ray was done, record results.
    c. Scoliosis screenings are done biennially in the public schools beginning at age 10.

This form may be used for clearance for sports or physical education. As such, please check the box above the signature line and make any appropriate notations in the limitation to physical activities block.

5. Please sign and date the form with the date the form was completed (note the date of the exam, if different)
   a. Print the health care provider’s name.
   b. Stamp with health care site’s name, address and phone number.
TO: Parents of Students entering Pre-Kindergarten in September 2020

FROM: Joseph Caravela, Principal, Linden Avenue School
       Matthew J. Murphy, Principal, Forest Avenue School

SUBJECT: Immunization requirements for students entering Pre-Kindergarten

Children must be appropriately immunized for their age to be enrolled in school. To be in compliance with current New Jersey Immunization Regulations as stated in Chapter 14 of the State Sanitary Code (NJAC 8:57-4.1 to 8:57-4.17), children’s immunization records must document month, date and year of the following vaccines:

1. Four doses of Diphtheria, Tetanus, Pertussis (DTaP), one dose given on or after the 4th birthday, OR any 5 doses
2. Three doses of Oral Polio Vaccine (OPV or IPV), one dose given on or after the 4th birthday OR any 4 doses
3. One dose of Measles, Mumps, Rubella (MMR)
4. Appropriate dose(s) of Haemophilis influenza type B vaccine (HIB) – one dose is needed after the first birthday
5. One dose of Varicella (Chicken Pox) given after first birthday (Laboratory evidence of immunity, physician or parental statement of previous Varicella disease is also acceptable.)
6. Pneumococcal vaccine (PCV), one dose after the first birthday
7. Influenza vaccine – one dose between September 1st and December 31st, 2020

Documents accepted as evidence of immunization include:
- Official school/Childcare records
- Records from any health department
- Physician’s certificate/letterhead stationery/prescription pad listing specific vaccines and administration dates signed by a licensed physician or advanced practice nurse
- Laboratory evidence of immunity

NO PUPIL WILL BE PERMITTED TO ATTEND SCHOOL WITHOUT PROOF OF IMMUNIZATIONS.
TO: Parents of Students entering Kindergarten in September 2020
