2210 CURRICULUM DEVELOPMENT

The Board of Education is committed to the continuing improvement of the educational program of the district. To this end, the curriculum shall be evaluated and modified in accordance with a plan for curriculum development.

As educational leader of the district, the Superintendent shall be responsible to the Board for the development of curriculum and shall establish procedures for curriculum development that ensure the effective participation of teaching staff members, pupils, the community, and members of the Board.

The Superintendent may conduct experimental programs that are not part of the duly adopted curriculum and are deemed to be necessary to the continuing growth of the instructional program; he/she shall report to the Board any such pilot program conducted, along with its objectives, evaluative criteria, and costs, before each such program is initiated.

The Superintendent shall report to the Board annually on all progress in curriculum development.
