Hostile Environment Sexual Harassment - Sexual harassing conduct (which can include un-welcomed sexual advances, requests for sexual favors or other favors, or other verbal, nonverbal or physical conduct of a sexual nature) by a school staff member that is sufficiently severe, persistent, or pervasive to limit another Staff member's ability to participate in a workplace environment or activity, or to create a hostile or abusive workplace environment.

Quid Pro Quo Harassment - When a school staff member explicitly or implicitly conditions another school staff member's conditions of employment on the staff member's submission to un-welcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the staff member resists and suffers the threatened harm or submits and thus avoids the threatened harm.

B. Grievance Procedure

The following Grievance Procedure shall be used for an allegation(s) of harassment of school staff members by other school staff members:

1. Reporting of Sexual Harassment Conduct

a. Upon receipt of any report of potential sexual harassment conduct, the Affirmative Action Officer will begin an immediate investigation. The Affirmative Action Officer will promptly investigate all alleged complaints of sexual harassment, whether or not a formal grievance is filed and steps will be taken to resolve the situation, if needed. This investigation will be prompt, thorough, and impartial. The investigation will be completed no more than ten working days after receiving notice.

b. The Affirmative Action Officer shall make a determination whether sexual harassment conduct was present.

c. If the Affirmative Action Officer concludes sexual harassment conduct was not, or is not present, the investigation is concluded.

If the Affirmative Action Officer determines that sexual harassment has occurred, the school district administration shall take reasonable and effective corrective action, including steps tailored to the specific situation. Appropriate steps will be taken to end the harassment such as counseling, warning, and/or disciplinary action. The steps will be based on the severity of the harassment or any record of prior incidents or both. A series of escalating consequences may be necessary if the initial steps are ineffective in stopping the harassment.

e. In the event the Affirmative Action Officer determines a hostile environment exists, the Superintendent shall take steps to eliminate the hostile environment. The school district may need to deliver special training or other interventions to repair the educational environment. Other measures may include directing the harasser to apologize to the harassed staff member, dissemination of information, distribution of new policy statements or other steps to communicate the message that the Board does not tolerate harassment and will be responsive to any school staff member that reports such conduct.

f. In some situations, the school district may need to provide other services to the staff member that was harassed, if necessary, to address the effects of the harassment on that staff member. Depending on the type of harassment found, these additional services may include an independent re-assessment of the harassed staff member's work performance, counseling and/or other measures that are appropriate to the situation.

g. The Superintendent will take steps to avoid any further sexual harassment and to prevent any retaliation against the

staff member who made the complaint, was the subject of the harassment, or against those who provided the information or were witnesses.
