Glen Ridge Board of Education

8500 FOOD SERVICES

The Board of Education recognizes the midday meal as an important part of each pupil's school day. The Superintendent shall ensure a wholesome, nutritious food services program in the district and one which reinforces the concepts of nutrition education as taught in the classrooms of this district.

The Board shall provide food service facilities for the consumption of food on school premises. All pupils not expressly excused by the Principal shall be expected to remain at school for lunch.

The operation and supervision of the food services program shall be the responsibility of the School Business Administrator/Board Secretary.

In order to ensure that the nutritional needs of district pupils are met, the Board directs the organization of a nutritional advisory committee composed of administrators, food service personnel, teachers, parent(s) or legal guardian(s), and pupils interested in the nutritional program of the district. The committee shall make its recommendations to the Superintendent.

The Food Service Program shall be operated on a nonprofit basis. All moneys derived from the operation, maintenance, or sponsorship of the food service facilities shall be deposited in the Food Service Account. The net cash resources of the food service account may not exceed three months' operating cost. A periodic review of the food service account shall be made by the School Business Administrator/Board Secretary. Any surplus funds shall be used to reduce the cost of the service to pupils or to purchase cafeteria equipment.

The Superintendent shall ensure the maintenance of sanitary, neat premises, free from fire and health hazards, for the preparation and consumption of food and the safekeeping and

storage of food and food equipment in strict compliance with
regulations of the New Jersey State Department of Health.
