September 2021

Good afternoon, parents.

The process for registering and paying for AP exams is underway. If you have not already done so, please see the information below on how to submit payment, as the **deadline is November 1.**

This year, each AP exam is \$96, with the exception of AP Seminar and Research (\$144/each). Please click on the link below and select the AP exams your student is planning to take in May 2022. Then follow the prompts to complete payment, AP test options are on the right side of the home page. If you have more than one student taking AP exams, there will be options to complete payment in one transaction.
