Dear Glen Ridge Neighbors:

The Glen Ridge Volunteer Ambulance Squad is thriving because we are comprised of a group of committed volunteers in our community who are willing to serve and because of the financial support we receive from our friends and neighbors. We are here for you 24 hours a day, 7 days a week. Our 60 active riding members, inspired by the volunteer spirit in our town, respond to your call day and night, to provide emergency pre-hospital care.

Thanks to your past generosity, we continue to provide emergency medical services, ambulance transports, and car transport for ambulatory senior citizens to doctor appointments. We never charge for our services. We keep two ambulances supplied and ready to go at all times. As of October 31, 2023, we have responded to nearly 1,200 calls. Most importantly, your generosity helps us provide ongoing EMS and CPR training to our members to ensure that all our members have the most up to date skills. In 2024, we hope to embark on a new driver training program because calls with lights and sirens are dangerous and we are committed to the safety of our members and the community.

Our community service extends well beyond the 911 calls we respond to. Each year we provide vital EMS support for the Ashenfelter and Lager Run races, standby at

high school  
football games, support the community with CPR and first aid training, and so much more.

Your gift to GRVAS this holiday season will directly help your neighbors, your family, and possibly even you one day. Donations may be made by mailing us a check to the address below or via PayPal or credit card by clicking the “Donate” button on our Web site, [www.grvas.org](http://www.grvas.org)

Many thanks on behalf of all of the dedicated volunteers of GRVAS.
