

Attention GRHS Parents January 16

Attention Parents:

January 16 marks the one year anniversary of the passing of Nathan Latifi, a member of the class of 2024. We recognize that this may be a difficult time for many of our students and school community. Our administrators, counselors and teachers have been working together to best support our students.

On the 16th, the GRHS Chorus room will be designated as a “quiet space” for our students. The room will be available all day to students and monitored by support staff. The room is to be a place for students to be together, take a break and seek support, as needed. The room will be set up with music, ping pong tables, other games and snacks for students to take time as needed. Teachers are aware of this accommodation and we just ask that students have a pass to attend the chorus room.

In addition, counselors are available for students who may need additional support. If you feel your child needs to talk to someone, please let us know.

Our thoughts are with the entire Glen Ridge community and we navigate this anniversary.
