

Digital Portrait Previews are now available

Digital Portrait Previews are now available!

Steps:

1. Check your email for a new correspondence from *Lors Photography*
 - The primary guardian email you have on file with guidance is the email shared with *Lors*
 - Today's email will include your child's unique numeric access code
2. Visit: <http://www.lorsstudio.com/undergrads/order/>

Your Options:

1. If you are happy with the portrait you may place your order at any time (this photo will be used in the yearbook)
2. If you desire a retake please have your child attend the in-school retake session on **October 19th** (the retake from this session will then be used in the yearbook)

The *GRHS/MS Yearbook Advisors* and *Lors Photography* worked together to grant parental access to the images this year for ordering purposes (see before you buy). We thank you for your patience with this new process! Please email high school yearbook advisor Kate Pritchard with any questions or concerns: kpritchard@glenridge.org
