

Discovery and After-school activities cancelled today, Tuesday 1/16

Dear Parents,

All afterschool activities are being cancelled by the District due to the continuing inclement weather and the icy conditions on the school walkways and local roads.

Today's Discovery Classes are postponed due to inclement weather and will be rescheduled toward the end of the Winter session. Details will be forthcoming.

AlphaBest will be contacting families to request that parents/caregivers retrieve their children as early as possible after school dismisses today.

Please use extreme care when walking on the school walkways and driveway. We continue to remove ice and salt the grounds; however, it is remaining slippery due to the frozen rain.

Thanks and sorry for any inconvenience!
