

# GRAA spring softball pre-registration now open

## WELCOME TO THE 2022 GRAA SPRING SOFTBALL PRE-REGISTRATION

Pre-Registration for 2022 Spring Softball is now open! <https://graa.sportngin.com/register/form/280298868>

All girls interested in playing Softball this Spring must pre-register, whether they want to play in a competitive travel softball program or not.

Once we have a better understanding of player interest and numbers for the upcoming season, we will make decisions on league entries and team rosters; then issue a new registration page to collect payment. If you don't pre-register, there is no guarantee your child will have a spot on a team in the Spring.

### WHO NEEDS TO PRE-REGISTER?

Any child born from 2007 - 2015 who wants to participate in GRAA softball for the spring 2022 season.

Tryouts for Competitive Travel Softball will be on Saturday, October 23 at Glenfield Park located at 74 Woodland Ave, Glen Ridge. (Walk to the back right of the park)

Cuts (only above the 8U level) will depend on our numbers and league decisions. At 8U, decisions will be made on who will be playing a more competitive format vs girls just starting and/or with limited skill level offered a recreational/clinic format.

Parents will not be allowed to gather at the field; please drop off and come back at the end of the scheduled tryout.

### TRYOUT REGISTRATION

You will be prompted after entering all the player and parent information (toward the end of this quick pre-registration) to select whether your player is going to tryouts on Saturday, Oct 23.
