

# GRAA volleyball pre-registration is OPEN

Dear parents of 3rd-8th graders,

The GRAA volleyball program would like to gauge interest in winter volleyball this year. We are hoping to run both a travel and a Rec program as in past years, but need to make those decisions based on the numbers of interested kids. <https://graa.sportngin.com/register/form/018297620>

For Travel Volleyball, we would run a program that is either co-ed, or girls-only/boys-only team(s). There would also be a tryout later this month or early December. Practices will likely be one or two nights per week, with game times TBD.

For Rec Volleyball, we would be planning Saturday clinics/training sessions.

Both programs would start early- to mid-December.

Please use this form to express your interest in either our Travel or Rec Volleyball Programs. <https://graa.sportngin.com/register/form/018297620>

Thank you,

Matthew DeLuca
