

GRASE VIRTUAL MEETING - Wednesday, January 12, 2022

G.R.A.S.E. VIRTUAL MEETING - Wednesday, January 12, 2022

This is a reminder for our next parent meeting (Details included below) on January 12th from 7:30pm - 9:00pm. All parents who have children receiving special education services and are attending school in district or out of district are welcome. However, similar to last year, we will have certain meetings focused on specific age groups. The January meeting will center on topics/issues involving 3rd grade - 12th grade students to allow for more parent interaction in a virtual environment. We look forward to seeing you!

If you would like to be added to the GRASE distribution list, send a message to glenridgegrase@gmail.com.
