

GRMS Reminders for 7th and 8th Graders

Reminders for 7th and 8th grade students:

For tomorrow's math Start Strong Assessments, 7th and 8th grade can only use a 4 function calculator with square root and percentage functions.

ALG 1 and Geometry students can only use scientific calculators.

Please bring a book or a quiet activity such as a coloring activity to do when you complete the assessment. Good luck!"

Thank you, Amy! Have a great day!
