

Home and School Fundraiser

Squeaky Clean Carpet & Upholstery Cleaning is offering our annual fundraiser for the Glen Ridge Home 7 School Association. We will be giving 10% of your total cleaning (less the sales tax) from January 1 - March 31, 2022, to the BOE to support this great school district.

Our process is hot water extraction with a 100% safe citrus and sodium-based cleaner that leaves zero residues that is safe for kids, pets, and the environment. Even our disinfectants are EPA approved for use in nursery schools. We follow all Board of Health Covid guidelines in your home. We are a family-based company serving central and north New Jersey for 27 years with a 5-star rating.
