

Makers Day Celebration

Dear families in our community,

Students of all ages are invited to celebrate [New Jersey Makers Day](#), an exciting day filled with hands-on, make-it-and-take-it activities such as constructing circuits, designing terrariums, catapulting marshmallows, and much more!

The event is *FREE* thank you to the generous sponsorship of the GREA! Donations are welcome. Please be advised that children under 12 must be supervised by an adult.
