

# Glen Ridge Public Schools

A Tradition of Excellence

October 12, 2021

Glen Ridge Parents,

Our district is completing a strategic plan, and we would like your input. This plan will build the foundation for the future of our schools. We are seeking input from all the members of our community, including our parents. Your input is your opportunity to provide feedback on how well the district meets your needs and expectations.

The district is working with The Madison Institute in facilitating the strategic planning process. An overview of the process can be found at [Strategic Planning Process](#).

Please complete the short survey by clicking on the following link: [Parent Survey](#).

Your responses are valuable and will remain anonymous.

The survey is due by Friday, October 15th.

Thank You,
