

## PG2024 Family Contribution

Hi Senior Parents!

We have turned the page into 2024! June and Project Graduation will be here before we know it!

As part of the overall Project Graduation fundraising each family is asked to make a contribution. This year we are requesting \$125 per student. This is half the per student cost we need to raise to cover the entire night's events.

There are two ways to complete this payment:

- Parents can pay via **Credit Card** through this [WUFOO FORM](#) . Please note there is a \$3.50 service charge for this option.
- Parents can pay via a **check**. When choosing this option, please make out your check payable to "PG 2024" and then mail or drop to PG24, 21 Lincoln Street, Glen Ridge, NJ 07028 (*please do not mail to the school or BOE office*). Remember to include your Senior's name in the comments please

Thank you for submitting promptly so we can plan our fundraising accordingly. Questions? [grprojectgraduation@gmail.com](mailto:grprojectgraduation@gmail.com).
