

Potential Snow Storm Jan 7

January 6, 2022

Glen Ridge School Community,

As you may be aware, there is a potential snowstorm tonight. Currently the forecasts are inconsistent. We will be tracking the weather throughout the day and evening.

The District is in a unique position with the abbreviated schedule this week. This week's schedule prevents us from having a delayed opening. A decision to remain open or close will be made early tomorrow morning. The decision will be determined based on the timing of the storm, the amount of snowfall, and the availability of staff.

Please have appropriate childcare plans in place in case that there is a need to close schools tomorrow.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Puccio". The signature is written in a cursive style with a large initial "D" and a long, sweeping underline.
