

Social Media School Threat

December 16, 2021

Glen Ridge School Community,

It has come to our attention that a video is circulating on various social media platforms, including TikTok and SnapChat, warning of nationwide school shootings on December 17th. At this time, the New Jersey Regional Operations and Intelligence Center is unaware of any specific, credible threats to New Jersey schools.

The Glen Ridge Schools have NOT received any threats

We have discussed the situation with the Glen Ridge Police Department. Tomorrow there will be an increased police presence on and around our schools as a precaution. If there are any additional updates from the state or local authorities, you will be notified.

The health and safety of our students and staff are of paramount importance.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan P. Kelly". The signature is written in a cursive style with a large initial "D" and a long, sweeping underline.
