

Dear Parents/Guardians:

We are excited to be providing an in-person experience for Move-Up Day this year! This is a great opportunity for students and teachers to connect before the summer recess. Your child's schedule for next school year will be viewable via Skyward Family Access in the afternoon on **Monday, June 14th**. Follow the directions below to access their schedule:

1. Login to Family Access
2. Click on Schedule
3. Click on the Next Year tab to view the schedule/room/teacher assignment.

Your child will need a copy of their schedule for Move-Up Day on Wednesday, June 16th. Schedules will not be distributed to the students on Move-Up Day.

Incoming 7th graders should arrive at the main entrance between 7:45am - 8:00am. They will be directed to the cafeteria, where we will confirm their wellness screening was completed by a parent prior to their arrival. The 7th graders' 1st period teacher will meet them in the cafeteria.

All other students should arrive at regular time and report directly to the first period class on their new schedule. We'll follow the early dismissal (12pm) bell schedule linked here:

Student schedules and teaching assignments are subject to change during the summer months. We take the time over the summer to balance classes and handle changes in course requests. Occasionally there is a need to add or drop classes.

All students should follow the schedule issued to them, even if they are going to request a change in their schedule. If your child needs to see their counselor to make schedule changes, they will need to go to the Guidance Department office and make an appointment for June 15th or 16th. If the counselor's schedule is booked, they should email the counselor.

Report Cards

Final report cards will be available on Family Access on **Monday, June 21st**. Follow the instructions below to access your child's report card.

- 1) Log on to Family Access
- 2) Under *General Information* on the left side, click on "Report Cards"
- 3) Click on the "Report Cards" link in the center of the page
