#### Q: What is a Discovery Program?

Discovery programs are a chance to expand learning opportunities beyond the curriculum to introduce new and exciting topics and activities to our students after school. Discovery is offered through the Central School Home & School Association.

### Q: When are Discovery Classes?

Discovery classes will begin right after school. Children will be in the Discovery Program from 3:00 PM to 4:15 PM. Please see the enclosed catalog for class-specific dates and days of the week. The programming includes 9 to 10 sessions depending on the weekday beginning on January 29th through April 5th aligned with the school calendar.

Note: From 3:00 PM - 3:15 PM, Discovery staff will help children (including those in aftercare) leave their classroom and escort them to their Discovery classroom.

### Q: When do I need to pick up my child?

Pick up time is 4:15 PM on the playground for those children not in after care. Please be on time! At 4:15 PM, children in aftercare will be escorted to the regular aftercare location.

### Q: Why are there enrollment caps for each class?

Each class has its own maximum enrollment intended to ensure that there is an appropriate ratio of students to instructors.

While we understand that illnesses and schedule conflicts occur, we cannot accommodate refunds or make-ups for missed classes.

### Q: How do I get in touch with Central Discovery?
