Grade 7 Field Trip 2020

Roadmap to Freedom Tour 2020

The tour will accentuate two of the most important places in American History - Philadelphia (The Founding) and Gettysburg (The Civil War). Students will get a first hand look at how this great nation of ours was brought together and nearly destroyed. The first stop, Philadelphia, will be highlighted by a visit to the National Constitution Center. Students will see a live production of “Freedom Rising”. The second stop, Gettysburg, will have the kids visit the location of the turning point in the Civil War. A professional tour guide will join the students on the bus as they get up close with many of the most important places in Gettysburg. Climbing the steps to the top of the Pennsylvania Monument for a bird’s eye view of the surrounding countryside is a breathtaking moment surely to be remembered for a lifetime. At night the students can partake in a student friendly ghost walk through the town of Gettysburg. The Roadmap to Freedom tour will conclude with the students walking in the footsteps of countless others as they traverse “Pickett’s Charge”.
