R 2200 CURRICULUM CONTENT

Courses of study and instructional materials and programs shall be designed to eliminate discrimination and promote understanding and mutual respect between children of different races, colors, creeds, sexes, sexual orientations, ancestries, national origins, social or economic status, and/or disabilities.

In order to eliminate possible bias in the curriculum, staff shall use the following criteria:

A. When instructional material contains stereotypes or discriminatory statements, staff should help pupils identify the stereotypes or discriminatory statement(s) and discuss with pupils the consequences of repeated stereotyping and discriminatory statements.

B. If a particular instructional material is highly objectionable, staff should not use it, N.J.A.C. 6:4-1.3(f); such material should be brought to the attention of the Building Principal so that the Affirmative Action Officer can evaluate the objectionable material. 1. The district shall provide separate restroom, locker room, and shower facilities on the basis of gender, but such facilities provided for pupils of each gender shall be comparable;

2. A school within the school district may choose to operate separate teams for both genders in one or more sports or single teams open competitively to members of both genders, so long as the athletic program as a whole provides equal opportunities for pupils of both genders to participate in sports at comparable levels of difficulty and competency; and

2423 BILINGUAL AND ESL EDUCATION

The Board of Education will provide programs of bilingual education, English as a second language (ESL), and English language services for pupils of Limited English Proficiency (LEP) as required by law and rules of the State Board of Education. Pupils of LEP are those pupils whose native language is other than English and who have sufficient difficulty speaking, reading, writing, or understanding the English language as measured by an English language proficiency test, so as to be denied the opportunity to learn successfully in the classrooms where the language of instruction is English.

Identification of LEP Pupils

The Board will conduct a screening process to determine the native language of each pupil at the time of enrollment in the school district. A census shall be maintained of all pupils whose native language is other than English. The English language proficiency of each pupil whose native language is not English shall be determined by a screening process that includes the administration of a New Jersey Department of Education approved English language proficiency test, an assessment of the pupil’s level of reading in English, a review of the pupil’s previous academic performance, results of standardized tests in English, and a review of the input of teaching staff members responsible for the educational program of the limited English proficient pupils.

Program Implementation

The district shall provide the following programs:

1. An English language services program whenever there are one or more, but fewer than ten LEP pupils enrolled within the schools of the district. English language services shall be in addition to the regular school program;

2. An ESL Program whenever there are ten or more LEP pupils enrolled within the schools of the district; and

3. A bilingual program whenever there are twenty or more LEP pupils in any one language classification. Where the age range, grade span, and/or geographical location of eligible pupils
makes a full-time bilingual program impractical, the Board may offer an instructional program alternative provided that the program has been approved or a waiver for the alternative program has been requested and approval has been granted by the Department of Education. The Board may establish a program in bilingual education for any language classification with fewer than twenty pupils.

All teachers in these programs shall be appropriately certified in accordance with the requirements as outlined in N.J.A.C. 6A:15-1.9. Every pupil participating in a bilingual, ESL, or English language services program shall be entitled to continue such participation for a period of three years.

Bilingual, ESL, and English Language Services Program Enrollment, Assessment, Exit, and Re-entry

Pupils enrolled in a bilingual, ESL, or English language services program shall be assessed annually with a New Jersey Department of Education approved English language proficiency test to determine their progress in achieving English language proficiency goals and readiness for exiting the program. LEP pupils enrolled in a bilingual, ESL, or English language services program shall be placed in a monolingual English Program when they have demonstrated to function successfully in the English-only program. This process shall be initiated by the pupil’s level of English proficiency as measured by a New Jersey Department of Education established standard on an English language proficiency test, and the readiness of the pupil shall be further assessed on the basis of multiple indicators which shall, at a minimum, include classroom performance, the pupil’s reading level in English, the judgment of the teaching staff member or members responsible for the education program of the pupil, and performance on achievement tests in English.

In accordance with provisions of N.J.S.A. 18A:35-22.1, a parent(s) or legal guardian(s) may remove a pupil who is enrolled in a bilingual education program at any time; except that during the first three years of a pupil’s participation in a bilingual education program, parent(s) or legal guardian(s) may only remove the pupil at the end of each school year. If during the first three years of a pupil’s participation in a bilingual education program, a parent(s) or legal guardian(s) wishes to remove the pupil prior to the end of each school year, the removal must be approved by the Executive County Superintendent of Schools. The parent(s) or legal guardian(s) may appeal the Executive County Superintendent’s decision to the Commissioner of Education.
Newly exited pupils who are not progressing in the mainstream English program may be considered for re-entry to bilingual and ESL programs in accordance with the provisions of N.J.A.C. 6A:15-1.10(e)5.

When the exit review process is completed, the pupil’s parent(s) or legal guardian(s) shall be informed by mail of the placement determination. A parent(s) or legal guardian(s), or teaching staff member who disagrees with the proposed placement may appeal the decision in writing to the Director of Student Services, who will provide a written explanation for the decision within 5 working days. The complainant may appeal this decision in writing to the Board. The Board will review the appeal and respond in writing within forty-five calendar days. A complainant not satisfied with the Board’s explanation may appeal to the Commission of Education.

Parental Involvement

The parent(s) or legal guardian(s) of a pupil of limited English proficiency will be notified in accordance with the provisions of N.J.A.C. 6A:15-1.13 that their child has been identified as eligible for enrollment in a bilingual, ESL or English language services program. Notice shall be in writing, in the language of which the child of the parents so notified possesses a primary speaking ability, and in English. The notice must also include the information that the parents have the option of declining enrollment if they so chose.

The district will notify the parent(s) or legal guardian(s) of the LEP pupil by mail no later than thirty days after the beginning of the school year that their child has been identified as eligible for enrollment in a bilingual, ESL, or English language services program. If the pupil has not been identified as LEP prior to the beginning of the school year, then the parent(s) or legal guardian(s) must be notified within two weeks of the pupil’s placement in a bilingual, ESL, or English language services program.

Parent(s) or legal guardian(s) shall receive progress reports in the same manner and frequency as those sent to parents or legal guardians of other pupils.

Parent(s) or legal guardian(s) of pupils of limited English proficiency will be offered opportunities for involvement in the development and review of program objectives. An advisory committee on bilingual education shall be formed with the majority being parent(s) or legal guardian(s) of pupils of limited English proficiency.
Graduation

Pupils of limited English proficiency will qualify for graduation from high school in accordance with N.J.A.C. 6A:8-5.1(a) and Policy No. 5460.

Program Plan

The Superintendent shall prepare and submit a plan for a bilingual ESL, or English language services program every three years to the Board and the New Jersey Department of Education for approval in accordance with the provisions of N.J.A.C. 6A:15-1.6.

Where the age range, grade span, and/or geographical location of eligible students makes a full-time bilingual program impractical, the Board may annually offer an instructional program alternative, provided a waiver for the alternative program has been requested and approval has been granted by the Department of Education. The Board may establish a program in bilingual education for any language classification with fewer than twenty students.

All teachers in these programs shall be appropriately certified in accordance with the requirements as outlined in N.J.A.C. 6A:15-1.9. The process to determine the readiness or inability of the individual student to function successfully in the English-only program shall be initiated by the student’s level of English proficiency as measured by a New Jersey Department of Education-established standard on an English language proficiency test. The readiness of the student shall be further assessed on the basis of multiple indicators that shall include, at a minimum: classroom performance; the student’s reading level in English; the judgment of the teaching staff member or members responsible for the educational program of the student; and performance on achievement tests in English.

In accordance with provisions of N.J.S.A. 18A:35-22.1, a parent may remove a student who is enrolled in a bilingual education program at

The parent may appeal the Executive County Superintendent’s decision to the Commissioner of Education.

Newly exited students who are not progressing in the mainstream English program may be considered for re-entry to bilingual and ESL programs in accordance with the provisions of N.J.A.C. 6A:15-1.10(e)1 through (e)5.

When the review process for exiting a student from a bilingual, ESL, or English language services program has been completed, the student's parent shall be informed by mail of the placement determination. The complainant may appeal this decision in writing to the Board within seven calendar days of receiving the Superintendent’s or designee’s written explanation of the decision. The Board will review the appeal and respond in writing to the parent within forty-five calendar days of the Board’s receipt of the parent’s written appeal to the Board. A complainant not satisfied with the Board's determination of the appeal may appeal to the Commissioner of Education.

5755 EQUITY IN EDUCATIONAL PROGRAMS AND SERVICES

Equity In Student Access

It is the policy of the Board of Education to ensure equal and bias-free access to all school facilities, courses, programs, activities, and services, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.

The school district administration will ensure that all students will have equal and barrier-free access to all school and classroom facilities, that minority and female students are not under-represented in gifted and talented or accelerated/advanced courses and that minority and male students are not over-represented in detentions, suspensions, expulsions, dropouts, or special needs classifications. Support services will be available to all students and that all limited English-proficient students and students with disabilities will have equal and bias-free access to all school programs and activities. The school district will ensure equal and bias-free access for all students to computers, computer classes, vocational education classes, and technologically-advanced instructional assistance, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.

The Board of Education will refrain from locating new facilities in areas that will contribute to imbalanced, isolated, or racially identifiable school enrollments. The school district administration will assign students to ensure that the racial/national origin composition of each school's enrollment reflects the composition of the district-wide enrollment and so that school and classroom enrollments are not identifiable on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.
Students will not be separated or isolated by race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability within schools, courses, classes, programs, or extracurricular activities. Bias-free multiple measures for determining the special needs of language-minority students and students with disabilities will be utilized. Pregnant students will be permitted to remain in the regular school program and activities and if not permitted to attend school by her doctor, the student will be provided equivalent instruction.

Equity in Guidance Programs and Services

The school district will ensure the guidance program provides access to adequate and appropriate counseling services for minority students, limited English-proficient students, non-college bound students, and students with disabilities. A full range of possible career, professional, and/or vocational choices will be presented to all students.

Equity in Physical Education Training

All school district physical education programs will be coeducational, with the exception of wrestling practice and a minimum of 75% of the electives are chosen by at least 30% of enrolled male and female students, when the physical education programs are elective.

Equity in Athletic Programs

The school district’s athletic program will provide equitable opportunities for female and male students to participate in athletics and equitable support for cheerleading programs and comparable facilities for male and female teams. The athletic program will have relatively equal numbers of varsity and sub-varsity teams for male and female teams and equitable scheduling of night games, practice times, and numbers of games for male and female teams.

Appeal Procedure
Any pupil or their parent(s) or legal guardian(s) may appeal school practices involving equity through the procedure established in Regulation No. 5750.
