WRITTEN COMMUNICATIONS

PRESIDENT’S REPORT
• Ms. Ginsburg recognized Theresa Messineo retiring at the end of this year after 19 years noting she will be sorely missed.
• Ms. Ginsburg read a statement regarding the negotiations between the Glen Ridge Education Association and the Glen Ridge Board of Education. She stated that the board and administrators support our teachers. She noted that most of the issues we faced are results of items imposed on school districts from Trenton, including unfunded state mandates, state aid funding, unfunded extraordinary costs, health care premium increases, and security upgrades.

SUPERINTENDENT’S REPORT
• Mr. Phillips thanked the Glen Ridge Educational Foundation (GREF) for the successful Ashenfelter 8K Race on Thanksgiving morning. The money raised from the race is used to fund school initiatives supported by the GREF.
• Construction updates
  Mr. Phillips gave the following updates regarding construction:
  o Central School:
    The new windows installation will be completed by the end of this week. The elevator inspection is scheduled for this Friday. A final building inspection will occur once the elevator inspection has passed. The contractors continue to work on the top two floors. They are installing the door frames and doors for the media center, a ladder guard for roof access, and High Street exterior doors.
  o Ridgewood Avenue School:
    The heating components at RAS are completed. We are experiencing some issues with the auditorium heat. The contractor and engineer are working together to determine potential solutions. The insulation of the chill water piping started last week. The contractor is also working on connecting the chiller to the central system in the boiler room.
  o Forest Avenue School/Linden Avenue School:
    The focus of the work at the lower elementary schools is on the several external components, which include the chillers, the switch panels, and the new power sources. The contractors have trenched the path of the power lines and will be installing the lines shortly. There is a delay for a potential engineering issue of the wall reinforcement at FAS, which is needed to place the chiller on the roof. The engineers are reviewing the contractor’s concerns.
• The GRHS Boys Soccer Team was recognized for its first Group 1 state title. The team defeated Bound Brook HS 2-1 in overtime. Coach Austin Alvarado was selected as the NJ.com Boys Soccer Coach of the Year.
• Director of Technology Winnie Boswell addressed the BOE about cybersecurity. She provided a general update on the practices and protocols our district has in place to limit our risk of ransomware.
• Mr. Phillips answered a question that had been brought up by a member of the public at a prior board meeting. He stated that of 18 HIB investigations that were non HIB, 9 of the 18 were code of conduct issues.
• Auditor’s Report
  o Ms. Kathi Mantell, CPA, of Nisivoccia LLP Certified Public Accountants and Advisors, presented the annual Comprehensive Annual Financial Report & Auditors Management Report for the Fiscal Year ended June 30, 2019, and reviewed the recommendations. There was an opportunity for Board members and public questions.
  o It was noted that the Budget Development Schedule is in the Board packets and was reviewed with the Finance and Facilities Committee.

PUBLIC COMMENTS (Agenda Items)
During the course of the board meeting, the Board of Education offers members of the public an opportunity to address issues regarding the operation of the Glen Ridge Public Schools. The Board reminds those individuals who take this opportunity to identify themselves by name and residency and to limit their comments to items listed on the agenda and/or items directly related to the operation of the School District. Issues raised by members of the public may or may not be responded to by the Board. All comments will be considered and a response will be forthcoming if and when appropriate. The Board asks that members of the public be courteous and mindful of the rights of other individuals when speaking. Specifically, comments regarding students and employees of the Board are discouraged and will not be responded to by the Board. Students and employees have specific legal rights afforded by the laws of New Jersey. The Board bears no responsibility nor will it be liable for any comments made by members of the public. Members of the public should consider their comments in light of the legal rights of those affected or identified in their comments and be aware that they are legally responsible and liable for their comments.
• Ms. Ginsburg read a statement regarding the Public Comment protocol.
• Mrs. Greta Sawa, Glen Ridge resident, commented on the Parent Teacher Conference room temperature, and the boy’s toilet room at Ridgewood Avenue School. She asked if we were going to reduce the food service prices. She inquired about the audit recommendations.
