A-2 Participation in the Sustainable Jersey for School Certification Program

Whereas, The Glen Ridge Board of Education (or Board of Trustees) seeks to participate in Sustainable Jersey for Schools to focus attention and efforts on matters of sustainability and pursue initiatives that will lead to Sustainable Jersey for Schools Certification.

Whereas, The Glen Ridge Board of Education and District Superintendent seek to support and work with school staff and administrators, students, and parents to ensure a safe and healthy environment for students by encouraging our school community to implement sustainable, energy-smart, eco-friendly, and cost-effective solutions.

Whereas, Extensive opportunities exist to teach students about ecological, economic and social sustainability, environmental health, and nutrition; to integrate sustainability education into classroom learning; and to support students in becoming leaders in making their schools healthier and more sustainable places.

Whereas, Many options and choices exist for schools to use resources more efficiently; to reduce, reuse, and recycle; to follow Green Building Standards for construction and major renovations; to form school partnerships; to eliminate toxic chemicals; to purchase (or produce) clean energy; and to purchase recycled paper, energy-efficient equipment and other green products to protect our global environment.

Whereas, Sustainability means using resources wisely, saving money, and reducing our impact on the environment, all of which will ensure the future health, safety, and prosperity of our children.

Whereas, The Glen Ridge Board of Education commits to the formation of at least one Sustainability Leadership Team (also referred to as “Green Team”), based on the guidance of Sustainable Jersey for Schools. (See the “Create A Green Team” action. Your district “Green Team” can be designated from a pre-existing group within the district if desired.).

Whereas, Green Team members help schools adopt policies and practices addressing areas such as sustainability education and professional training, green purchasing, waste reduction, indoor air quality, energy-saving initiatives, and community partnerships.
Whereas, The Glen Ridge Board of Education will encourage Green Teams at all district schools by providing networking and educational opportunities.

Therefore, it is resolved that the Glen Ridge Board of Education agrees to participate in Sustainable Jersey for Schools, and it is the board’s intention to pursue certification for schools in the district.

We hereby appoint Dirk Phillips to be the district’s liaison to Sustainable Jersey for Schools.

We do hereby recognize Glen Ridge Public Schools, Glen Ridge High School, Ridgewood Avenue School, Linden Avenue School, and Forest Avenue School as the agents to carry out our commitment to building a sustainable school district through the implementation of Sustainable Jersey for Schools actions.

We agree to complete district actions and to support the district’s schools in completing their actions.
