Course Description:  
TV Studio is responsible for putting on a daily program to provide the school with announcements and entertaining and informative segments about the interests of the Glen Ridge community and students. Students will host, run the control room equipment, and produce original segments. As a member of the advanced class, students are responsible to run daily operations, assign tasks to students, and lead the on air teams. Students will also write, film, and edit a weekly segment in a repeating theme and format. Students will produce and edit segments about topics assigned to them and the segments will then be aired on the daily show. The TV Studio experience is to simulate working in a professional TV studio environment, now with the responsibility of a team under your care.
