Parent-Teacher Conferences 2019

Dear Central School Parents:

Parent-Teacher conferences will be held on November 14th and 15th, 2019. On these half-days only students who attend After-Care should bring a lunch. The school schedule will be as follows:

- **PreK**
  - 8:20-12:00

- **Preschool**
  - 8:45 - 12:00

We will also have two evening conferences (Tuesday, November 12th from 4:00 to 6:30 PM, and Thursday, November 14th from 6:30 to 9:00 PM) for those parents who cannot make the conferences at any other time.

This first conference is intended to be viewed as a baseline for you and the teacher to discuss your child’s developmental level. It is important to identify specific strengths and weaknesses early in the year and to set goals that will encourage and motivate your child to progress. In early December, your child will receive a first trimester assessment report which provides a measure of current academic and social progress.

The grade level expectations are realized with a 3 on the scale, and a 4 is only reserved for the areas where students consistently and independently go above and beyond in applying the key concepts, processes, and skills. A 2 on the childhood developmental scale is for children who are making progress toward that given item on the report card and a 1 is reserved for those areas where students need improvement.

Developmentally, children might not be demonstrating behaviors at a 3 or 4 level at this point in the school year. Many children will only be making progress approaching the expectations, while moving toward the achievement of our benchmarks by the end of the school year. In the area of Social Development & Work Habits, 3 is the highest rating which indicates meeting expectations for this time of the year.

Through parent-teacher collaboration, open communication, and hard work, your child will make academic progress throughout the course of this school year. Please select a conference by using this link to schedule the date and time:

In order for teachers to coordinate their schedules, the online link for conference scheduling will close on Wednesday, November 6th, 2019.

Sincerely,

Joseph A. Caravela, Principal
