The annual budget is the financial plan for the effectuation of the educational plan for the district; its preparation is, therefore, one of the most important functions performed by the Board of Education. The budget shall be designed to carry out that plan in a thorough and efficient manner, to maintain school district facilities, and to honor continuing obligations of the district.

A proposed budget requires the critical analysis of every member of the Board during its preparation. The administration shall work with the Board to ensure Board members have a thorough understanding of the budget appropriations, budget revenue, the proposed educational program and the budget's impact to the local tax levy. The Board shall also provide for community input during the budget development process.

The annual school district budget and supporting documentation shall be prepared in accordance with the provisions of N.J.S.A. 18A:7F et seq. and N.J.A.C. 6A:23A-8.1 et seq. The Board will obtain approval of the local funding for a non-referendum capital project (school facility project or other capital project) in accordance with the provisions of N.J.A.C. 6A:23A-8.4.

The Board will submit its proposed budget and supporting documentation as prescribed by the Commissioner to the Executive County Superintendent for approval.

The budget will be presented to the Board of Education to allow adequate time for review and adoption. The budget should evolve primarily from the needs of the individual schools as expressed by the Building Principals and the district educational program as expressed by the central administrative staff and be compatible with approved district plans.

The Board shall include in the budget application to the Executive County Superintendent a complete reporting of revenues
and appropriates and other requirements pursuant to N.J.S.A.

The Board, upon submission of its budget application to the
Executive County Superintendent or by the statutory submission
date, whichever is earlier, shall make available upon request
for public inspection all budget and supporting documentation
contained in the budget application and all other documents
listed in N.J.A.C. 6A:23A-8.1 once the budget application has
been submitted to the Executive County Superintendent for
approval.

The budget as adopted for the school year pursuant to N.J.S.A.
18A:7F-5 shall be provided for public inspection on the
district’s internet site, if one exists, and made available in
print in a “user-friendly” plain language budget summary format
in accordance with the provisions of N.J.A.C. 6A:23A-8.1(c).

All budgetary and accounting systems used in the school district
must be in accordance with double entry bookkeeping and
Generally Accepted Accounting Principles as required in
N.J.A.C. 6A:23A-16.1 et seq.
